In the Lands Between, a mythical world where the rising sun has yet to reach the first land, the endless sky of the sky is a vast, limitless sea, and the mountains and valleys are below the water. Emissaries from the otherworlds—a race that dwells at the center of the sky—seek the users of the power of the Rings of Elden as their capital to establish peace. Lately, mysterious rumors have surfaced. You are an adventurer, a wanderer, and a warrior of choice. You will take the role of such a character. In the Lands Between, the world is about to be filled with many different and exciting situations. You have nothing but your own determination and strength to rely on. Through the course of your adventure, you will uncover the secrets of your past and forge your destiny as an adventurer, and in the process, you will meet those who are full of longing for their own futures.

It is the same id for all the elements that they need to be changed. Like this \$("#TextBox_1").attr('id','TextBox_2'); \$("#TextBox_2").attr('id','TextBox_1'); But I want to know if it's possible to change this id, without changing the order. For example \$("#TextBox_1").attr('id','TextBox_2'); \$("#TextBox_2").attr('id','TextBox_1'); A: No, you cannot do that. "id" is a unique DOM-level attribute, and it has to remain unique, even across the

different instances of DOM, to be able to refer to that particular element. That's what "class" is for. Read up on .add(), .remove(), and .removeClass() as an alternative to JS's .attr() function. A: Simply create an object and assign a reference to a variable and it will automatically keep the order var list = { 1:'TextBox_1', 2:'TextBox_2' }; Then \$("#TextBox_1").attr('id','TextBox_2'); \$("#TextBox_2").attr('id','TextBox_1'); list[1] = 'TextBox_1'; list[2] = 'TextBox_2'; Evidence for the involvement of oxytocin receptor interaction with 14-3-3 proteins in the inhibition of forskolin-stimulated adenylate cyclase in PC12 cells. What's new in Elden Ring:

История и суббота Mon, 28-Apr-2018 11:18 Our CEO has been working on a new MMO RPG where swords meet guns, and the result is a brand new fantasy action role playing game based on the world of Tol Legend.

THE NEW FANTASY ACTION RPG.

Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.

A Vast World Full of Excitement

A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.

Create your Own Character

In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.

An Epic Drama Born from a Myth

A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.

A rich fantasy world, made up of never-ending left and right quests, and quests that will never end!

At the center of it, you will discover true quests while being immersed in this epic storyline where you can freely change your race, profession and weapon at your pleasure.

An asynchronous and very low-population online element lets you boost up your own experience. In addition, it lets you journey together with other players, created a unique online connection!
