A YouTube representative will contact you soon. YouTube is 100% FREE Create Account or Log In Step 1 Login to create, log in, or set up a free account with YouTube. Click Here. Step 2 Select "Watch Later" from your Subscriptions page Step 3 Select "I'm interested in your notifications about this channel" Step 4 Then tap your email and we will notify you about new videos. Youtube Notifications Welcome to YouTube: You can now get notified whenever a video creator posts videos on YouTube. The creators will send an email to all your YouTube email address right after the video is posted. So you don't have to wait for hours to find out and you'll always get an important notification without the hassle of reading through YouTube comments or scanning the YouTube comments section. We also suggest you to sign up for YouTube Notifications on your mobile. You can follow us on Google+ for more updates. Download our app on Android or iOS here. Notification timing: YouTube Notifications works the day after the video gets posted, so the notifications will be sent to your email address of your account that you signed up under. For example, if you signed up with Google and use GMail as the default email provider, notifications will be sent to your Google email address. You can also set up email alerts, so that you won't miss any updates: You can click on the video and it will show you the notification settings. Tap on "how about when a new video gets added" or something similar. Then it will show you the notification settings. Go to the "Email alerts" tab and choose "new" video and the emails will be sent to your emails. If you have an email account that you don't use for YouTube, you will have to add it manually. First, you will have to click on your profile picture on the top right and then select your preferences. Then go to "Email"
