□Highlights□ - The Lands Between: In the game, there are many different systems including geography, environment, and time. The various systems create a vast world filled with a myriad of possibilities, and there are many places where things exist only in the imagination. - Fantasy: An RPG based on fantasy and sorcery has been established with its own well-defined structure; the layout of monsters and fantasy-world items are fully-fledged. In addition, the battle system has been enhanced in the fantasy RPG game, which faithfully reflects the world of a fantasy action RPG. - Classes: Characters can freely develop unique characteristics by acquiring and combining weapons and armor. - Combat: When performing combat, character development and cooperation between other party members is most important. The battles are more exhilarating when a combination of weapons and magic are used. - Battles: For each monster, each character will have different characteristics. In addition, not only will the characters change when damage is taken, but so will their appearance. In multiplayer battles, rich and diverse battles will unfold. - Destruction: Characters can perform a limited number of attacks when learning magic, and when monsters are defeated, they will drop items that can be used to acquire magic. - Dungeons: In the game, not only are dungeons scattered throughout the Lands Between, but there are also huge dungeons full of monsters. In the game, players must be alert at all times as they will get trapped in areas called labyrinths and have to fight all-out battles to escape. - Special Skill: In the game, after completing certain quests, the characters can gain special skills such as magic or the ability to support the party. Depending on their level, each character will have their own special skills. - Different Abilities: Each class has its own unique attributes and special skills. For example, you can use a hammer to smash enemies with high speed and power; or with a staff you can summon up to four support players. - Unique Skill: Characters can learn new skills and use them to assist other party members. System/Features - Fantasy Action RPG: A fantasy action RPG game with a fantasy background that is well-known in the world of anime, manga, etc. In addition, battles are conducted with a variety of weapons, and magic and super magic is also available. - Story: Narrated by a series of unique characters and new characters that show up in the game.

**American hip-hop group. DeMarco has been active since 1983. Known as the "Black Guy" for their popularity on the East Coast, the group is touted as one of the most popular African-American street toughs. The band was inspired by Curtis Mayfield's music and was extremely popular from the mid-80s until the early 1990s. American hip-hop group. DeMarco was formed in 1980 by John (Jazzy) Abrams (vocals) and Bruce Bruce (DJ). The group achieved its greatest success from around the mid- to late 1980s, when they had several Top 10 R&B hits, including "Candy Girl", "Juicy" (which was their first number one R&B single) and "Need Love". Aside from "Candy Girl", all of these tracks were produced by the group's lead singer, Abrams. The group is credited with influencing the Los Angeles hip-hop scene, which saw numerous producers begin producing tracks to emulate the style. The group's popularity reached its peak in the early 1990s. In addition to their R&B hits, they also had a string of pop hits, thanks to the production talents of Abrams, including "I Know" (1987) and "The Best Time" (1993). They also produced their own R&B/pop songs, including "Break It to Me Gently" (produced by George**
